As artists and visually driven people, our design team is constantly drawing inspiration from the world around us. We curate elements and ideas that are trending and use those as inspiration for a monthly collection of custom patterns.

TARKETT HOSPITALITY

RETRO GEO

Curated by- Kristen Evans

As we slowly dip our toe into 2022 with a cautious hope for a great year, we still hold on to the things that give us comfort and make us feel nostalgic for a time that was simple. Simple geometric shapes provide a foundation that is uncomplicated and familiar. Retro Geo takes the classic shapes of mid-century and marries them with the flirty 80's/90's Memphis style. Bright and rich colors mixed with warm tones holds the trend together and elevates it to this decade.
