# City Focus | ATLANTA

Welcome to Hotlanta! Our second City Focus trend gives a friendly nod to our neighbors to the south, Atlanta. Known as the City in the Trees and being located at the foothills of the Appalachians, Atlanta has the highest elevation among major cities east of the Mississippi River. This southern city has so much to offer in the way of entertainment, food, and sports, and our designers have chosen their favorites as inspiration to create patterns that pay homage to the best known things about Atlanta from the world's busiest airport to its modern architecture and iconic attractions.
