

"I see the turning of a leaf
dancing in an autumn sun,
and brilliant shades of
crimson glowing when a day
is done"

-MATTIE ELLIOTT

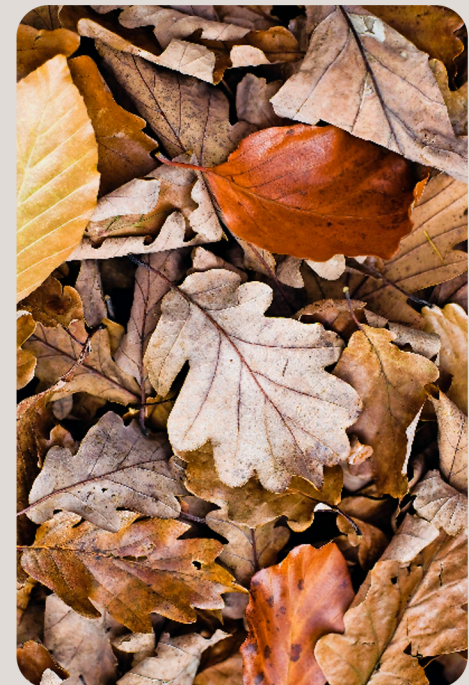

Watching the leaves fall probably
feels different to everyone this year.
But just as new life comes from fallen
leaves, good always follows the
hardships. And good always
outweighs the bad in the end.

The colors for this collection were not
only chosen for their seasonal
likeness; but to emulate a sense of
warmth – bringing comfort and peace
to the viewers of this collection. This
body of natural work also inspires the
viewer to not lose sight of all the
beauty around them during difficult
times.
