

"The Indian word Mohini means "enchanting magic or spell", and also has an implied connotation of the essence of female beauty, infatuation, and allurement.

Inspired by Indian culture, art, and diversity – this collection of designs infatuates the viewer with its strong, feminine colors and alluring designs inspired by Indian architecture, art forms, and textures. Mohini allows one to fall in love with color, and to appreciate other cultures and all of their beauty." – Sayward and Kristen
